EDII, Bihar government collaborate to promote entrepreneurship in the state

📅 February 21, 2022, 3:43 pm

Mumbai, Feb 21 (UNI) Entrepreneurship Development Institute of India (EDII), Ahmedabad, on Monday said it has signed a memorandum of understanding with the Department of Industries of Bihar government to promote entrepreneurship in the state. EDII will conduct entrepreneurship development interventions across the state and will sensitize the stakeholders in the support system to create a conducive environment for the same, it said in release issued here. The interventions will also ensure that the Institute of Entrepreneurship Development gets revived with a new strategy plan. "Bihar is resource rich state and entrepreneurship development efforts in the state will sure lead to commendable economic growth. EDII already has a presence in some regions of the state, and with these recent developments, we look forward to further strengthening the entrepreneurial ecosystem in the state," EDII Director General Sunil Shukla said.
