

A Unique Opportunity for Aspiring Entrepreneurs to Ride the Startup Wave

EDII Invites Applications for PGDM-E, PGDM-IEV & PGDM-Online Programs

An Institute positioned in the band of 11-50 in the India Rankings 2023 by the National Institutional Ranking Framework (NIRF).

Ahmedabad, India, 10 April 2024: **Entrepreneurship Development Institute of India (EDII)** has more than 40 years of legacy announces applications for its esteemed 2-year PGDM programs: PGDM- Entrepreneurship (PGDM-E), PGDM-Innovation, Entrepreneurship & Venture Development (PGDM-IEV) & PGDM-Online. These programs are tailored to nurture aspiring entrepreneurs and individuals aiming to create a significant impact in society. The application deadline is **April 27, 2024**, with the Entrepreneurial Aptitude Test (EAT) and Personal Interviews (PI) scheduled on **April 30th, 2024**. Candidates can apply directly on the website. To apply [click here](#).

PGDM-Entrepreneurship (PGDM-E): (AICTE Approved; NBA Accredited; USASBE Awardee)

The PGDM-E, approved by **All India Council for Technical Education (AICTE)** and Accredited by **National Board of Accreditation (NBA)**, now in its **27th batch**, offers a comprehensive two-year, full-time course, tailored for budding entrepreneurs, family business successors and startup enthusiasts. Through six trimesters, students delve into critical thinking and hands-on learning, honing their skills in the various aspects of entrepreneurship. **Specializations include New Enterprise Creation (NEC); Family Business Management (FBM) and Social Entrepreneurship (SE)**. Students undergo intense training, mentoring and handholding, culminating in detailed project reports tailored to their chosen paths. The PGDM-E has received the **USASBE Outstanding Entrepreneurship Program Abroad Award 2014**.

PGDM-Innovation, Entrepreneurship & Venture Development (PGDM-IEV): (AICTE Approved; NBA Accredited)

The PGDM-IEV at EDII is a two-year full-time program approved by AICTE. This comprehensive course upgrades students' skills to convert innovative tech ideas into sustainable business ventures. With a focus on technology-based innovation, students gain expertise to set up and sustain their tech-based start-ups, secure capital, and navigate complex markets. Through experiential learning, expert mentorship, and industry exposure, students develop essential skills for entrepreneurial success, making a positive impact in society.

AICTE Approved PGDM-Online

PGDM-Online is a two-year program approved by AICTE. This programme is designed to educate business owners, startups and aspiring entrepreneurs to transform their business in a professionally driven business and train those who have new ideas or ventures.

Admission Eligibility Criteria:

- Graduation from a recognized university with a minimum aggregate of 50% marks.
- A qualifying management test score (CAT / MAT / XAT / ATMA / C-MAT).
- Final year graduates are eligible to apply
- A deep urge to become an entrepreneur

With a distinguished history spanning over 40 years, EDII, a Centre of Excellence (as recognized by the Ministry of Skill Development & Entrepreneurship) has an active network of over 1800 successful PG alumni and has strengthened more than 1000 family businesses with a five-year growth plan. Prospective students are encouraged to seize this invaluable opportunity to commence their transformative journey with EDII.
