

EDII's Youth & Children Entrepreneurship Camps.....A Platform that Imparts Winning Qualities

Ahmedabad April 10th, 2024: [Entrepreneurship Development Institute of India \(EDII\)](#) announces its National Summer Camp on Entrepreneurial Adventures for Youth and Children. **Tailored specifically for children aged 12-16, the [42nd and 43rd chapters of the National Summer Camp on Entrepreneurial Simulation for Children](#) are scheduled to take place from May 5th to 10th and May 26th to 31st, 2024, respectively.** The camps will be conducted at the EDII Ahmedabad Campus.

Additionally, the [45th and 46th Summer Camps of Entrepreneurial Adventures, designed for youth aged 16-22](#), will be conducted from May 13th to 22nd and June 2nd to 11th at the EDII Ahmedabad Campus.

“At EDII, we're dedicated to shaping tomorrow's leaders. Our National Summer Camps, led by tech & entrepreneurship experts, psychologists, behavioural scientists and communication experts offer tailored activities to enhance core competencies essential for success in today's dynamic world. Through entrepreneurial motivation, classroom sessions, field visits, interaction with achievers, engaging games, role-plays and simulation exercises, participants embark on a transformative journey,” informed **Dr. Pankaj Bharti, Camp Director, EDII.**

Both the camps, for children and youths, are residential and are deeply committed to equipping young minds with the tools they need to thrive and lead confidently in an ever-evolving ecosystem. Over **past more than four decades**, the Institute has been instrumental in providing a significant platform to youths and children. By fostering an understanding of their own personalities and the variables influencing their development, the camp imparts a perspective that shapes their behaviour and responses to various situations, turning them into high-achieving individuals. With a track record of **grooming 4500+ children and youths**, from across the nation, EDII continues its mission of inculcating **the spirit of enterprise and achievement**, among the pillars of tomorrow, so they can aim for high-level accomplishments.
