Submission Deadline: 15th September, 2025

Family businesses form the backbone of economies worldwide, blending entrepreneurial drive with legacy and values. This special issue explores critical dimensions of family enterprises including governance, succession planning, intergenerational dynamics, conflict management, and professionalization. It aims to deepen academic and practical understanding of how families sustain and grow their businesses across generations while balancing tradition and innovation. Contributions offering theoretical insights, empirical studies, and case analyses are welcome.

Submissions may focus on, but are not limited to, the following themes:

- **Family Values**
- **Research on Factors Holding Families Together**
- **Conflict Management**
- **Coaching and Its Role in Strengthening Family Bonds**
- **Intergenerational Issues**
- **Work-Life Balance**
- **Family Performance Management**
- **Managing Professionals in Family Businesses**
- **Compensation Structures**
- **Ownership and Wealth Distribution**
- **Succession Planning**
- **Governance**
