

Aljamea-tus-Saifiyah Business School (JSBS) is established under the auspices of prestigious Arabic institute Aljamea-tus-Saifiyah. JSBS located at Jamea Campus in Mumbai & Nairobi is a testament to the Dawoodi Bohra community's heritage. JSBS integrates contemporary views along with preserving the sanctity and wisdom of tradition in the field of Business Studies.

Burhani College, Mumbai is a Commerce, Liberal Arts, Management Science and Life Skills College located in the heart of Mumbai. The courses cover a Junior College in Commerce and Arts; a Degree College leading to Bachelor of Commerce, of Arts, of Management Studies, of Arts in Mass Media and Communication; Bachelor of Science (Computer Science) and Master of Commerce; and Certificate courses in vital life skills under the Sciences of the Home program

Entrepreneurship Development Institute of India (EDII) is a premier institute in Ahmedabad dedicated to entrepreneurship education, research, and capacity building. It is supported by financial institutions and the Government of Gujarat. EDII developed successful models like the EDII-EDP for new enterprise creation. It has established entrepreneurship development centers across India and internationally in countries like Cambodia and Rwanda.
